INTERNATIONAL PRELIMINARY REPORT ON PATENTABILITY

International application No. PCT/JP2004/004021

Box No.	. I	Basis of the report	
1. With other	regare wise i	rd to the language, this report is based on the international application in the lang indicated under this item.	guage in which it was filed, unless
	This whi	is report is based on translations from the original language into the following ich is language of a translation furnished for the purpose of:	language,
		international search (under Rules 12.3 and 23.1(b))	
		publication of the international application (under Rule 12.4)	
		international preliminary examination (under Rules 55.2 and/or 55.3)	
juiin	re no. The	ard to the elements of the international application, this report is based on (to the receiving Office in response to an invitation under Article 14 are referred at annexed to this report): international application as originally filed/furnished description:	replacement sheets which have been d to in this report as "originally filed"
	page	es	, as originally filed/furnished
	page	es* received by this Authority on	, as on-grandly modificationed
	page	es* received by this Authority on	
	the c	claims:	
	page	es	, as originally filed/furnished
	page	es*, as amended (toge	ether with any statement) under Article 19
	page	es*received by this Authority on	
	page	es*received by this Authority on	
	the d	drawings:	
	page	es	, as originally filed/furnished
	page	es* received by this Authority on	,8, 111-0, 111-111
	page	es* received by this Authority on	
	a seq	quence listing and/or any related table(s) - see Supplemental Box Relating to Sec	quence Listing.
3.	The a	amendments have resulted in the cancellation of:	
		1	
	님	the description, pages	
	H	the claims, Nos.	
	님	the drawings, sheets/figs	
	H	the sequence listing (specify):	
	Ш	any table(s) related to sequence listing (specify):	
4.	mauc	s report has been established as if (some of) the amendments annexed to this rele, since they have been considered to go beyond the disclosure as filed, as le 70.2(c)). the description, pages	eport and listed below had not been indicated in the Supplemental Box
		the claims, Nos.	
		the drawings, sheets/figs	
		the sequence listing (specify):	
		any table(s) related to sequence listing (specify):	
* If iten	n 4 ap	pplies, some or all of those sheets may be marked "superseded."	

INTERNATIONAL PRELIMINARY REPORT ON PATENTABILITY

International application No.

PCT/JP04/004021

The questions whether the claimed invention appears to be novel, to involve an inventive step (to be non obvious), or to be industrially applicable have not been examined in respect of: the entire international application. claims Nos	Box No. III Non-establishment of opinion with regard to novelty, inventive step and industrial applicability
claims Nos	The questions whether the claimed invention appears to be novel, to involve an inventive step (to be non obvious), or to be industriall applicable have not been examined in respect of:
the claims, or said claims Nos	the entire international application.
the said international application, or the said claims Nos. relate to the following subject matter which does not require an international preliminary examination (specify): the description, claims or drawings (indicate particular elaments below) or said claims Nos. are so unclear that no meaningful opinion could be formed (specify): the claims, or said claims Nos. are so inadequately supported by the description that no meaningful opinion could be formed. no international search report has been established for said claims Nos. 2-23 the nucleotide and/or amino acid sequence listing does not comply with the standard provided for in Annex C of the Administrative Instructions in that: the written form has not been furnished does not comply with the standard the computer readable form has not been furnished does not comply with the standard the tables related to the nucleotide and/or amino acid sequence listing, if in computer readable form only, do not comply with the technical requirements provided for in Annex C-bis of the Administrative Instructions.	claims Nos. 2-23
the claims, or said claims Nos	the said international application, or the said claims Nos
by the description that no meaningful opinion could be formed. no international search report has been established for said claims Nos	the description, claims or drawings (indicate particular elements below) or said claims Nosare so unclear that no meaningful opinion could be formed (specify):
the nucleotide and/or amino acid sequence listing does not comply with the standard provided for in Annex C of the Administrative Instructions in that: the written form	the claims, or said claims Nos are so inadequately supported by the description that no meaningful opinion could be formed.
the written form	no international search report has been established for said claims Nos
